

POSTSECONDARY ACCESS and ATTAINMENT IMPACT GROUP

Impact Groups: Engaging Deeply, Acting Purposefully

Grantmakers for Education (GFE) impact groups leverage the network of education philanthropists within GFE to bring people together for meaningful dialog and action on the most critical challenges in public education today and into the future.

The GFE Postsecondary Access and Attainment (PSA2) Impact Group's mission is to deepen GFE member learning and facilitate collaboration; to inspire and take collective action at scale; and to achieve an impact that improves postsecondary access and attainment for students.

Engagement opportunities with PSA2 include:

- Topical webinars around research, policy and funding opportunities in the postsecondary sector.
- Conference meet-ups and funder briefings at education-focused events (such as NCAN, Achieving the Dream).
- Sessions to identify cofounding opportunities to improve postsecondary persistence and graduation rates.

Join Us to Increase Your Grantmaking Impact

We welcome your participation:

- Become a member of the PSA2 Impact Group. Contact Letitia Dowling, at ldowling@edfunders.org to learn more.
- Impact groups are supported through the group's steering committee, interested members or both. If your organization is interested in joining or supporting an impact group, contact Letitia Dowling at ldowling@edfunders.org.
- Join the conversation and share ideas about postsecondary education in philanthropy with the PSA2 Impact Group on [GFE Connects](#), GFE's online member community.
